AVAILABLE JANUARY

Joseph F. Schmidt, FSC, is a lecturer, spiritual director, and counselor at the international renewal center of the Christian Brothers located in the Sangre de Cristo Mountains near Santa Fe, New Mexico. He is the author of *Praying with Thérèse of Lisieux* and *Praying Our Experiences*.

Everything Is Grace

The Life and Way of Thérèse of Lisieux

Joseph F. Schmidt, FSC

Thérèse of Lisieux has been called the greatest saint of modern times, but some view her spirituality as sentimental and syrupy. Joseph F. Schmidt, FSC, dispels that notion by contending that Thérèse’s “little way” is really the gospel message—a message that can best be understood in the context of her life. Schmidt does a masterful job of weaving together biographical details with Thérèse’s profound insights on God’s love and mercy. This book is a must-read for anyone who wants an introduction to Thérèse’s spirituality as well as for those who desire a deeper appreciation of her “little way”—a way that continues to speak to Catholics today.

Includes photographs of Thérèse as a young girl and throughout her life.

“It is rare to read something that gives us new insights into St. Thérèse of Lisieux. Brother Joseph Schmidt has managed to do so in a powerful way in this new work, which brings together very beautifully her central idea that “everything is grace.” Disciples of St. Thérèse will enjoy and profit from it.”

Contemplating the Trinity

The Path to the Abundant Christian Life

Raniero Cantalamessa, OFM Cap

Translated by Marsha Daigle-Williamson, Ph.D.

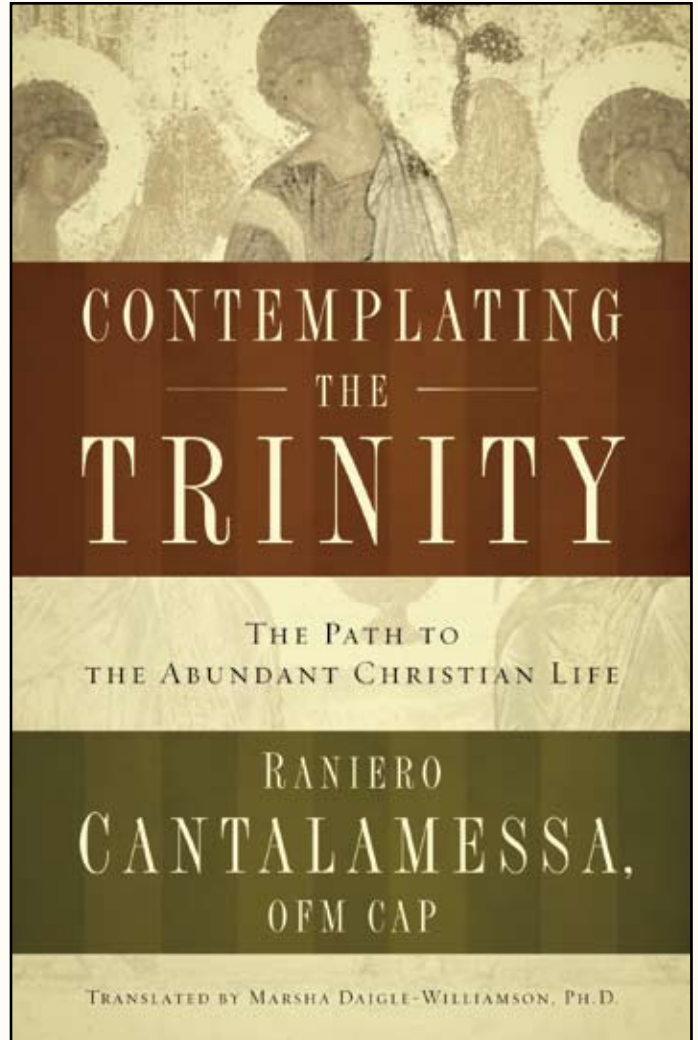

Unity, joy, simplicity, beauty, truth—these are the hallmarks of the three Persons in one God, the Trinity. In *Contemplating the Trinity*, Fr. Raniero Cantalamessa, the preacher to the papal household, invites readers to turn to the Trinity so that they can enter into and experience the relationship of love that the divine Persons share with one another. Convinced that Christians today need a spirituality that is more clearly trinitarian, Fr. Cantalamessa draws from theology, spirituality, and art to articulate this new perspective and its implications. As readers accept Christ's invitation to immerse themselves in the "bottomless sea without shores" that is the Trinity, they will find themselves on a journey that promises a deeper understanding of how this relationship of love can be our standard for holiness.

Features a full-color inset of four famous works of art that depict the Trinity.

Little Elephant

A Story about Being Loved

Catherine House and Olwyn Whelan

One sunny morning, Little Elephant was thinking. He looked up at the sky and saw a large flock of flamingoes. “Does God love the birds in the sky?” he asked. “Yes, Little Elephant!” replied his mother. “God made all the birds that fly in the sky, and he loves them very much.” In this delightful picture book, Little Elephant discovers that God loves snakes, whales, leopards—even termites! But most important, Little Elephant discovers that God loves him. This story reassures children that God loves them uniquely and that his love will be with them always—no matter who they are or where they go. Beautiful illustrations accompany this tender story. Sure to become a family favorite!

Food from Heaven

The Eucharist in Scripture

Six Sessions for Individuals and Groups

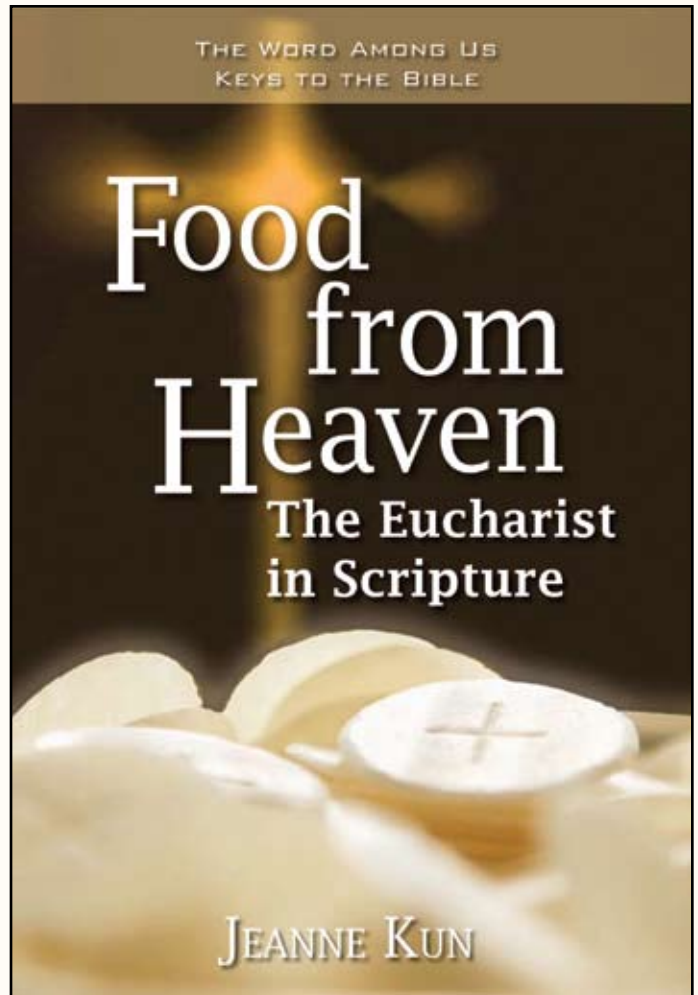

Jeanne Kun

The third in the popular Keys to the Bible series from The Word Among Us, *Food from Heaven* will help readers navigate through the Bible to understand and appreciate the foundation of eucharistic worship. Among the texts studied are Old Testament realities that anticipate the Eucharist—the manna in the desert and the sealing of the Mosaic covenant with a blood sacrifice—along with gospel accounts of Jesus’ bread of life discourse, the Last Supper, Jesus’ crucifixion and death, and the breaking of the bread with the two wayfarers in Emmaus. Each session includes the full Scripture text, a short commentary, and questions for reflection and discussion. “In the Spotlight” sections are especially helpful to Catholics, featuring historical and cultural details, explanations of Greek words, and quotes from church fathers, the catechism, and contemporary Catholic writers.

The Words of the Risen Christ

A Bible Study on Jesus' Resurrection

Rich Cleveland

What did the risen Christ say to his followers when he appeared to them, and what do his words say to us, as followers of the risen Christ, today? In this Emmaus Journey Bible study, popular author Rich Cleveland delves into the significance of Jesus' resurrection appearances. His final words, such as "Go make disciples" and "Do you love me?" set the tone for each of the eight sessions and are the launching pad to explore such themes as community, reconciliation, the power of the Holy Spirit, and the call to evangelization. Each session features the Scripture text, a commentary, a series of reflection questions, and a call to action. A perfect follow-up to Cleveland's popular study on Jesus' passion, *The Seven Last Words of Christ*, this study is designed for individuals or small faith-sharing groups.

Reading the Bible as God's Own Story

A Catholic Approach for Bringing Scripture to Life

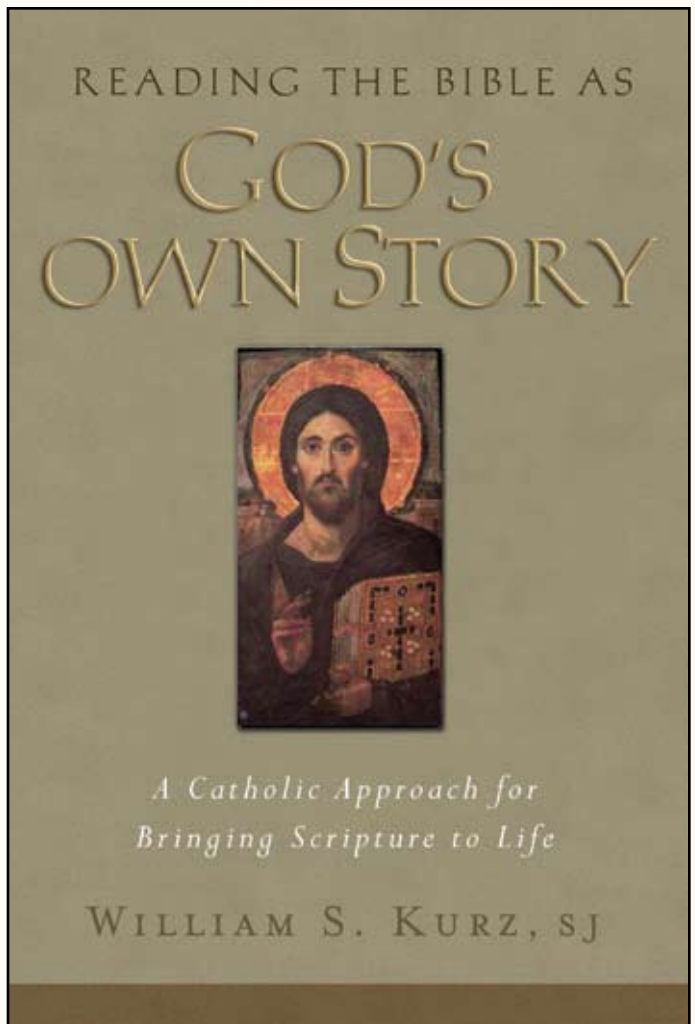

William S. Kurz, SJ

How should Catholics read the Bible? Beyond the history and literature of the Bible, Catholics need to discover God's own story—and his way of looking at the world. Noted Scripture scholar William Kurz draws from the writings of two church fathers, Sts. Irenaeus and Athanasius, to show how we can read the Bible as the story of God—with the passion, death, and resurrection of Jesus Christ as its climax. Like a good mystery novel, when we know how the story ends, we can read it again from the beginning in order to search for important clues that will help us see God's plan for the world and how we fit into that plan. Kurz examines passages from both the Old and New Testament to demonstrate that, as we approach the Bible in faith, we bring new life and meaning to Scripture.
